Dear Manuel,

I am sincerely delighted to present you with the enclosed Academic Excellence Award. Of those students graduating in summer 2003, eleven have earned this award, which is given to acknowledge your distinguished scholarship and commitment to volunteer service in the College of Letters and Science Honors Program.

This is an accomplishment to be proud of and I congratulate you on your achievements as an undergraduate at UC Santa Barbara and on your contributions to the intellectual life of our campus. All my very best wishes for your continued success.

Sincerely,

A handwritten signature in black ink, appearing to read "A. Ettenberg".
